Welcome to the world of The Abracadafriends™, the merry group who like to pretend-play grown-ups!

Discover a world where love, friendship, villainy, courage, mutual aid, superstition and magic transform day-to-day subjects into wonderful tales. Furthermore, the moral of each tale provides a discussion topic for children, parents and educators. With press-out characters and 4 story backgrounds included, little ones will have endless hours of fun recreating the stories or inventing their own!
