This *Doodle, Draw and Sticker* book offers many creative ways for children to use their imagination in a variety of subjects. Children are invited to learn simple, step-by-step approaches to drawing their favorite animals or characters through a series of explanatory images. Large, funny faces with accompanying stickers will have children laughing as they work. And full-scene spreads with suggestions for doodling provide a creative outlet for children. Not only will kids improve their drawing skills, they will also have the opportunity to apply some bright and joyful colors to their works of art!
