

COLORING BOOK

EVOLUTION: A coloring book for relaxation and meditation will take the reader-artists into a world of calm and wonder as they travel the path of evolution through time. Coloring pages have simple or advanced patterns, quotes and proverbs that call for thought or bring smiles. Everything in this book has been collected to give the user hours of pleasure, internal exploration and an explosion of colors.

Included in the book are:

- 60 coloring spreads
- 60 quotes or proverbs
- 60 sentences telling the story of evolution
- 1 timeline per page
- 1 four-color pencil
