

My Interactive Storybook!

CLEVER

Join Eddy as he learns about seasons! Walk with him and his loving mom as they hunt for food and meet new friends along the way.

This extraordinary journey will take you to the North Pole, and, surprisingly enough, to the African Savannah.

Eddy's Seasons Learning Adventure

An Interactive Storybook
About Seasons!

After hunting food and ice all summer, Eddy and Mommy are back at the south. Fall has come and summer is over. Soon they must find a den where they will spend the winter.

All of a sudden, Eddy hears his name. "Wait for us Eddy! It's me, Lily!" shouts his cousin. "We will go home with you!"

Finally, Mommy smells something delicious – seals are nearby! A real treat! Mommy spots her sister, too, with her baby. Eddy is happy to meet his cousin, Lily!

Eddy is still very small, but he must walk to the ice shelf with Mommy before it breaks up. It is a long journey and Eddy is very tired. Mommy invites him to climb up on her back before they set off again.

My Interactive Storybook !

CLEVER

Honey is precious and so is time! Join Meli on her time learning adventure! Buzz around with her on her first day out to find nectar for making honey. Since Meli likes to share, she wants to help you learn to tell time. *Meli's Time Learning Adventure* will definitely be your favorite book about time learning!
